Dear Dr. Lederberg:

The above mentioned application for support of a research project has been reviewed by the National Advisory Child Health and Human Development Council at its November 14-16, 1966, meeting.

It is with regret that we inform you that the proposed project did not receive a recommendation of approval.

We appreciate the time and effort you spent on preparing the application. Any further applications which you may wish to submit will receive our full consideration.

Sincerely yours,
